DAVE JACKSON IN TOWN

Our old friend, Dave Jackson, better known in the South as "Smiling Dave," came down from Louisville to meet Berea Lodge No. 617 F. & A. M. on Saturday night and to address Berea Baptist Sunday-school and Church on Sunday morning.

Brother Dave, who has been one of our great Masonic leaders, is always welcome and always has something to say that's worth while. This is always in evidence when he comes for our rooms are always filled to hear him.

He has also been a great Sunday-school man for several years which, together with his connection with one of the greatest orphan homes in the South, makes him most interesting to our little folks.

His rich experience and his big heart have made him a great fortune wherever he goes and we always feel honored by having such a noble man.

We wish we had more Dave Jackson.

CHRISTIAN ENDEAVOR NEWS

Christian Church
The Christian Endeavor of the Christian Church has been having some very interesting meetings during the summer months. Last Sunday night, an unusually large crowd was present. The meeting was made very interesting and many responded. Special violin music was rendered by Maurice Perkins.

Everyone is urged to be present next Sunday night at 6:15. Miss Rebecca Scrivner will be leader. A business meeting will be called soon for the election of officers for the coming season.

CHRISTIAN ENDEAVOR

The meeting of the Christian Endeavor of the Union Church was held Sunday evening on the porch of the Parish House. The topic was, "Growth in Body, Mind and Spirit." Prof. John F. Smith was the leader. From a large fund of accumulated experience he spoke of the wonderful power of a strong body, intellect and spirit. His rules for cultivating these sides of one's nature were simple and to the point. He gave the rules taught us by our grandmothers, yet couched them in language that made them far from trite.

He pressed his points home with great strength and many were led to think of self-improvement more seriously than ever before. Every one present received an impulse toward a better and more useful life. If you were not there, you missed a great treat. We invite you next Sunday evening. The program for that occasion follows:

C. E. meeting on Sunday night at 6:15 on the porch of Union Church. Topic: "Carelessness vs. Thoughtfulness." Reference: Heb. 2:1-7 Meeting will be in charge of Prof. Edwards.
